Commands for Land and Water Forms

1. Pin the glacier high in the mountains.
2. Pin the lake in the mountains.
3. Pin the group of islands.
4. Pin the islands that protect land.
5. Pin the body of water partly surrounded by land, usually smaller than a gulf.
6. Pin the brown sandy edge of the ocean.
7. Pin the black sandy edge of the ocean.
8. Pin the land where a river has cut through rocks.
9. Pin the land jutting out in the water, usually smaller than a peninsula.
10. Pin the steep rock drop off.
11. Pin the flat land along the ocean.
12. Pin the chain of coral near the surface of the ocean.
13. Pin the small sheltered bay.
14. Pin the place where water is blocked to form a reservoir.
15. Pin the fan-shaped mouth of a river.
16. Pin the dry place where almost nothing grows.
17. Pin the sand hills.

18. Pin the narrow inlet made by a glacier.
19. Pin the land which may be flooded in a storm.
20. Pin the hills at the bottom of a mountain.
21. Pin the very large body of water partly surrounded by land.
22. Pin the piece of ice that breaks off a glacier.
23. Pin the land surrounded by water.
24. Pin the narrow strip of land that connects two larger land areas.
25. Pin the shallow water separated from the ocean by low land.
26. Pin the body of water completely surrounded by land.
27. Pin the large flat rock.
28. Pin the highest point on a mountain.
29. Pin the group of mountains.
30. Pin the green place in the desert.
31. Pin the largest salt water area.
32. Pin the land surrounded by water on three sides.
33. Pin the glacier moving over land into the ocean.
34. Pin the flat land area in the mountains.

35. Pin the land which narrows as it juts out into the water, usually smaller than a cape.
36. Pin the dry side of the mountain that receives less rain.
37. Pin the lake made by a dam.
38. Pin the ribbon of water larger than a stream.
39. Pin the place where the river empties into the ocean.
40. Pin the place where the river begins.
41. Pin the sand bank at the edge of the ocean sometimes covered with water.
42. Pin the narrow passage of water between two land masses.
43. Pin the river that flows into another river.
44. Pin the valley carved out by a glacier.
45. Pin the valley formed by river erosion.
46. Pin the mountain which erupts gasses and lava.
47. Pin the water flowing over a cliff.
48. Pin the low land which is usually wet.

1. Alpine glacier
2. Alpine lake
3. Archipelago
4. Barrier islands
5. Bay
6. Beach
7. Black volcanic sand
8. Canyon
9. Cape
10. Cliff
11. Coastal plain
12. Coral reef
13. Cove
14. Dam
15. Delta
16. Desert
17. Dunes
18. Fjord
19. Flood plain
20. Foothills
21. Gulf
22. Iceberg
23. Island
24. Isthmus
25. Lagoon
26. Lake
27. Mesa
28. Peak
29. Range
30. Oasis
31. Ocean
32. Peninsula
33. Piedmont glacier
34. Plateau
35. Point
36. Rain shadow
37. Reservoir
38. River
39. River mouth
40. River source
41. Sandbar
42. Strait
43. Tributary
44. U-shaped valley
45. V-shaped valley
46. Volcano
47. Waterfall
48. Wetlands

<p>1. Pin the glacier high in the mountains.</p>	<p>25. Pin the shallow water separated from the ocean by low land.</p>
<p>2. Pin the lake in the mountains.</p>	<p>26. Pin the body of water completely surrounded by land.</p>
<p>3. Pin the group of islands.</p>	<p>27. Pin the large flat rock.</p>
<p>4. Pin the islands that protect land.</p>	<p>28. Pin the highest point on a mountain.</p>

<p>5. Pin the body of water partly surrounded by land, usually smaller than a gulf.</p>	<p>29. Pin the group of mountains.</p>
<p>6. Pin the brown sandy edge of the ocean.</p>	<p>30. Pin the green place in the desert.</p>
<p>7. Pin the black sandy edge of the ocean.</p>	<p>31. Pin the largest salt water area.</p>
<p>8. Pin the land where a river has cut through rocks.</p>	<p>32. Pin the land surrounded by water on three sides.</p>

<p>9. Pin the land jutting out in the water, usually smaller than a peninsula.</p>	<p>33. Pin the glacier moving over land into the ocean.</p>
<p>10. Pin the steep rock drop off.</p>	<p>34. Pin the flat land area in the mountains.</p>
<p>11. Pin the flat land along the ocean.</p>	<p>35. Pin the land which narrows as it juts out into the water, usually smaller than a cape.</p>
<p>12. Pin the chain of coral near the surface of the ocean.</p>	<p>36. Pin the dry side of the mountain that receives less rain.</p>

<p>13. Pin the small sheltered bay.</p>	<p>37. Pin the lake made by a dam.</p>
<p>14. Pin the place where water is blocked to form a reservoir.</p>	<p>38. Pin the ribbon of water larger than a stream.</p>
<p>15. Pin the fan-shaped mouth of a river.</p>	<p>39. Pin the place where the river empties into the ocean.</p>
<p>16. Pin the dry place where almost nothing grows.</p>	<p>40. Pin the place where the river begins.</p>

<p>17. Pin the sand hills.</p>	<p>41. Pin the sand bank at the edge of the ocean sometimes covered with water.</p>
<p>18. Pin the narrow inlet made by a glacier.</p>	<p>42. Pin the narrow passage of water between two land masses.</p>

<p>20. Pin the hills at the bottom of a mountain.</p>	<p>44. Pin the valley carved out by a glacier.</p>

<p>21. Pin the very large body of water partly surrounded by land.</p>	<p>45. Pin the valley formed by river erosion.</p>
<p>22. Pin the piece of ice that breaks off a glacier.</p>	<p>46. Pin the mountain which erupts gasses and lava.</p>
<p>23. Pin the land surrounded by water.</p>	<p>47. Pin the water flowing over a cliff.</p>
<p>24. Pin the narrow strip of land that connects two larger land areas.</p>	<p>48. Pin the low land which is usually wet.</p>

25. Lagoon

1. Alpine glacier

26. Lake

2. Alpine lake

27. Mesa

3. Archipelago

28. Peak

4. Barrier islands

29. Range

5. Bay

30. Oasis

6. Beach

31. Ocean

7. Black volcanic sand

32. Peninsula

8. Canyon

33. Piedmont
glacier

9. Cape

34. Plateau

10. Cliff

35. Point

11. Coastal plain

36. Rain shadow

12. Coral reef

37. Reservoir

13. Cove

38. River

14. Dam

39. River mouth

15. Delta

40. River source

16. Desert

41. Sandbar

17. Dunes

42. Strait

18. Fjord

43. Tributary

19. Flood plain

44. U-shaped
valley

20. Foothills

45. V-shaped
valley

21. Gulf

46. Volcano

22. Iceberg

47. Waterfall

23. Island

48. Wetlands

24. Isthmus
